MADE IN AMERICA, Toby Keith

My old man's that old man,
Spent his life livin' off the land
Dirty hands, and a clean soul
It breaks his heart seein' foreign cars
Filled with fuel that isn't ours
And wearin' cotton we didn't grow
He's got the red, white,
And blue flyin' high on the farm
Semper fi tattooed on his left arm
Spends a little more in the store for a tag
In the back that says U.S.A.
He won't buy nothin' that he can't fix
With WD Forty and a Craftsman wrench
He ain't prejudice he's just, made in America
Loves his wife, she's that wife
That decorates on the fourth of July
But says, "Every day's Independence Day"
She's golden rule, teaches school
Some folks say it isn't cool
But she says the Pledge of Allegiance anyway
He's got the red, white, and blue flyin' high on the farm
Semper fi tattooed on his left arm
Spends a little more in the store for a tag
In the back that says U.S.A.
He won't buy nothin' that he can't fix
With WD Forty and a Craftsman wrench
He ain't prejudice he's just, made in America
Made in America, made in America
Yeah my old man's that old man,
Made in America

American Dream:

- 1) America is the land of opportunity.
- 2) There is equality in America today.
- 3) Everyone can attain wealth in America.

AMERICAN OXYGEN

Breathe out, breathe in
American oxygen
Every breath I breathe
Chasin' this American Dream
We sweat for a nickel and a dime
Turn it into an empire
Breathe in, this feeling
American, American oxygen
American oxygen
Breathe in, this feeling
American, American Oxygen
Oh say, you see, this is the American Dream
Young girl, hustlin'
On the other side of the ocean
You can be anything at all
In America, America
I say, can't see
Just close your eyes and breathe
Breathe out, breathe in
American oxygen
Every breath I breathe
Chasin' this American Dream
We sweat for a nickel and a dime
Turn it into an empire
Breathe in, this feeling
American, American oxygen
American oxygen
Breathe in, this feeling
American, American Oxygen
American oxygen
Breathe in, this feeling
American, American Oxygen
Oh say, you see, this is the American Dream
Young boy, hustlin'
Tryna get the wheels in motion
But he can be anything at all
In America, America
I say, can't see
Just close your eyes and breathe
Breathe out, breathe in
American oxygen
Every breath I breathe
Chasin' this American Dream
We sweat for a nickel and a dime
Turn it into an empire
Breathe in, this feeling
American, American oxygen
This is the new America
We are the new America
This is the new America
We are the new America
This is the new America
We are the new America
This is the new America
We are the new America
Breathe out, breathe in
American oxygen
Every breath I breathe
Chasin' this American Dream
We sweat for a nickel and a dime
Turn it into an empire
Breathe in, this feeling
American, American oxygen
American oxygen
Breathe in, this feeling
American, American Oxygen
American oxygen
Breathe in, this feeling
American, American Oxygen
This is the new America
We are the new America
This is the new America
We are the new America
