President Franklin D. Roosevelt is commonly thought of as a liberal and President Herbert C. Hoover as a conservative. To what extent are these characteristics valid? 1984 DBQ

Context: Shifting meaning of terms "liberal" & "conservative."

- Classic Definitions: Liberal=change needed
Conservative=no change needed
- Industrial Rev.: Liberal=laissez-faire
Conservative=Mercantilism
- By second wave of IR:
Progressives jump start "Liberalism"--bigger role of government
Conservatives want to keep laissez-faire/smaller role of government
